HATS SCHOOL BASED HEALTH CENTER TEAM

Nurse Practitioner: Linnea Lang, MSN, CPNP-PC

Ms. Lang joined CIFC Health in August 2022 as the medical provider at HATS SBHC. A Pediatric Nurse-Practitioner, Ms. Lang graduated from Cedarville University (CU) in 2008 with her BSN and received her Master of Science in Nursing from CU in 2021. She has spent nearly all her nursing career in the NICU, working at both Yale New Haven Hospital and Danbury Hospital. Her clinical experience for her master's program was largely spent with CIFC Health, working in SBHCs and in the Pediatric Medicine department. Ms. Lang is married and has two children. She is passionate about holistically meeting the health needs of adolescent patients and is excited to be a part of HATS SBHC medical team.

Licensed Marriage & Family Therapist: Clare Gelissen, LMFT

Ms. Gelissen has been with CIFC as a counselor with the School Based Health Centers (SBHC) Since 2015. She has worked as a Licensed Marriage & Family Therapist for over 30 years in private practice prior to joining CIFC, and she brings those decades of experience into Henry Abbott Technical. In her own words, Ms. Gelissen says "Rates of anxiety amongst young people have escalated...Anxiety and Depression can go hand in hand and are more of a prevalent issue than ever." In her free time, Ms.
